Loqu8 iCE version 5.3 (and later) is compatible with **Microsoft® Windows 7**, Vista and XP. iCE is a 32-bit application that can be installed in both 32-bit (x86) and 64-bit (x64) versions of Windows 7 and Vista.

Installation

1. Download Loqu8 iCE from http://www.loqu8.com/products/download-iCE5-Pro.php

2. Follow the on-screen instructions. After iCE has been installed, click **This program installed correctly**.

Starting iCE

- 1. From the Windows Start button, click All Programs
- 2. Choose Loqu8 > Loqu8 iCE

Displaying iCE's System Menu

Select wh	nich icons and notifica	tions appear on	the taskbar	anget of
updates. To on the taskt	view hidden icons at any tir par.	me, click the arrow ne	ext to the notific	ation area
Icons		Behaviors		× E
ø	iNterpret Chinese-Engli Loqu8 iCE	Show icon and no Show icon and no	tifications 🔹

3	Microsoft Sync Center Svnc Center	Only show notification	ations 🔹	-
Turn system	icons on or off			
Restore defa	ault icon behaviors how all icons and notificatio	ons on the taskbar		
			ОК	Cancel

- 1. From your Windows system tray (bottom right corner of the desktop), click the white triangle and Customize...
- 2. Scroll through the list until iNterpret Chinese-English (Loqu8 iCE) is visible
- 3. Select Show icon and notifications
- 4. Click OK to accept the changes and close the dialog box
- 5. The red iCE icon in the system tray shows that LiveScan pop-up translations are active. Left-click this icon with your mouse to toggle LiveScan; the gray iCE icon indicates that LiveScan is off

6. Right-click the iCE icon (red or gray) to open the System menu. For details on the selections in this menu, see the *User's Guide*

Tip: Make iCE available every time you start Windows. From the System menu, select **AutoStart**

Uninstall

1. Open the Windows Control Panel

- 2. Locate the Loqu8 iCE program icon
- 3. Click Uninstall/Change
- 4. Verify that Remove the application from this computer is selected
- 5. Click **OK** to uninstall the program

Microsoft Internet Explorer

This browser is available in both 32-bit and 64-bit versions. iCE's LiveScan pop-up window is only compatible with the 32-bit version of IE.
